PICTURESQUE DARTMOOR.
The Wallabrook Stone.

LL7735

TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

The Wallabrook is a small stream which winds its way across the lonely uplands of Dartmoor, finally joining the North Teign in the neighbourhood of Castor. Near the confluence of the two streams are found several relics of the ancient inhabitants of the Moor, an example of this is the flat single-slab stone bridge here illustrated.
